In spite of all mine & two brokers endeavours, I was not able to purchase any stock, there was none in the market whatsoever. they said, there was more probability of getting some to morrow, I have receiv'd $678\frac{52}{100}$ from Mr. Le Roy your dividend from N.Y. share, this & my debt $1038\frac{52}{100}$ I have deposited to your credit in the U.S. Bank, so that you have now 1971 doll: at your command, as I am sure you would be sorry to see that money lay longer Idel, I thought proper to trye the chance to morrow to place it, & apte I remain 24 hours more rather than return without having done what you desired. If ~~early~~ in the morning before 12. I see no probability of getting shares I shall return by 12 o'clock boat, at any rate I beg you my dear to write me if possible in case to morrow I can't get shares, whom am I to ~~pay~~ thrust money in order to purchase when anything offers the Broker told me to leave it with Mr. Gahn, who will perform the business, let me know to morrow morning as early as possible you will upon that subject, I in general what is your Intention. I am sorry to be from you longer than I expected, but you would be my dear if I did not all that's in my power to manage business properly. send one dear Jones by to day bot. give my love to R.
family Peter & all our friends. I shall be extremely
happy if you write me one word by to morrow if
there is no occasion by the post. Mr Chapman will
perhaps inclose the letter in the mail although it is
Sunday. It will rejoice me to know how you are
& what you have done to do with the money. All
our friends desire their respects. Good morning
